

# How to add new Attachment Category to a Form (Sale Order)

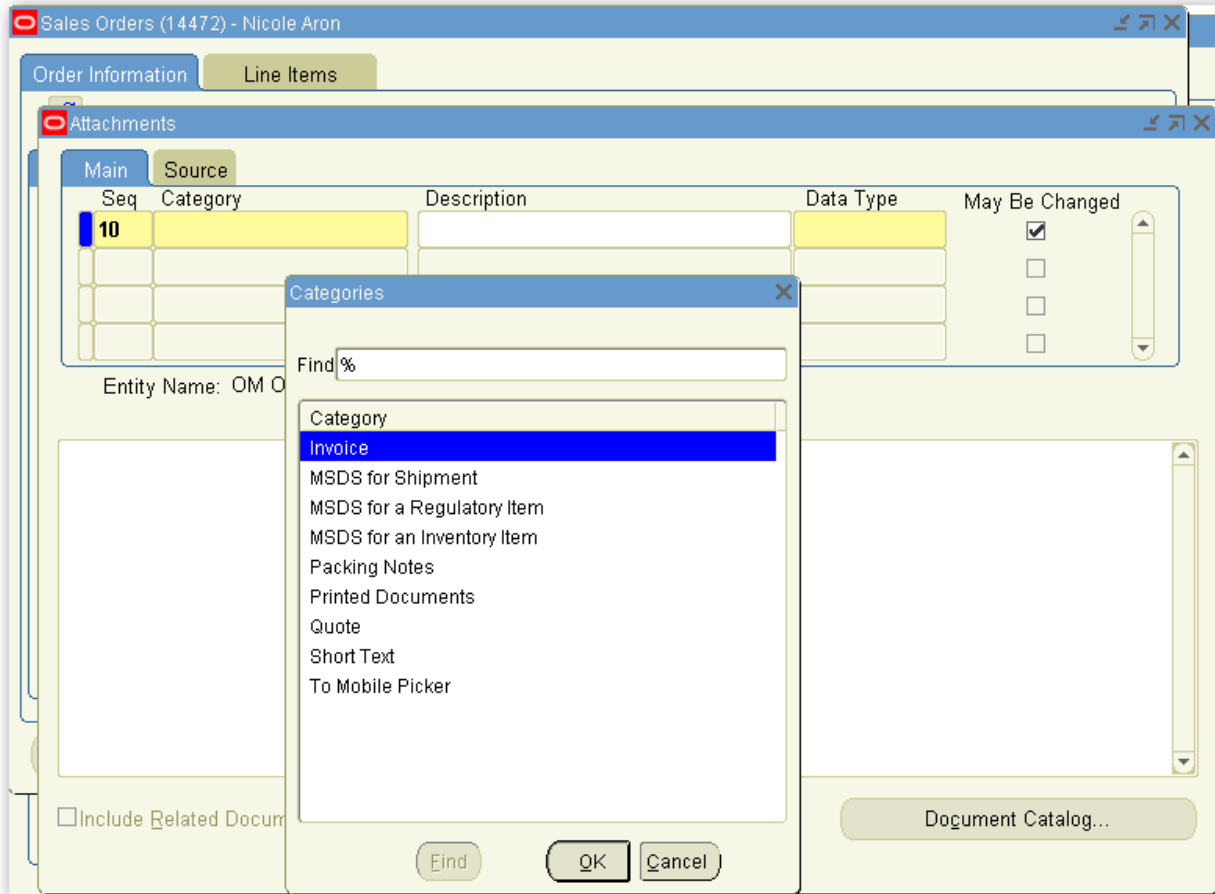

1. Open Sale Order Form and Click on (Clip) button as shown in picture (below)

The screenshot shows the Oracle Applications - Vision interface. The window title is "Sales Orders (14472) - Nicole Aron". The menu bar includes File, Edit, View, Folder, Tools, Window, and Help. The toolbar contains various icons, with a red box highlighting the "Attachments..." button. The main form is titled "Order Information" and "Line Items". It has two tabs: "Main" and "Others". The "Main" tab is active, showing a form with the following fields:

Customer	Nicole Aron	Order Number	14472
Customer Number	2478	Order Type	Web
Customer PO		Date Ordered	17-DEC-2003 12:59:01
Customer Contact		Price List	Corporate
Ship To Location	6352	Salesperson	No Sales Credit
	2nd Street	Status	Booked
		Currency	USD
	San Jose, CA, 95106, US	Subtotal	2,279.05
Bill To Location	6353	Tax	205.11
	2nd Street	Charges	10.00
		Total	2,494.16
	San Jose, CA, 95106, US		

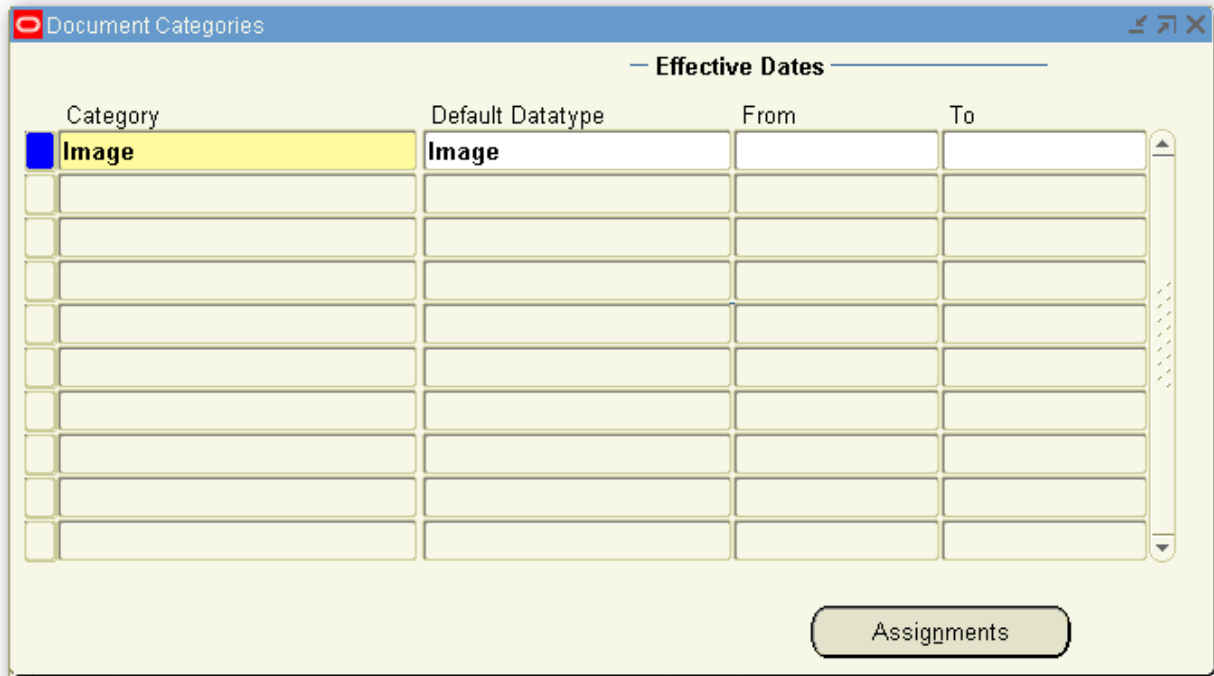

At the bottom of the form, there are buttons for "Actions", "Related Items", "Configurator", "Availability", and "Book Order". Below these buttons is a dropdown menu with "Scheduling" and "Setup" options. An "Open" button is located at the bottom right of the window.

2. A new form will appear Click on Field Category

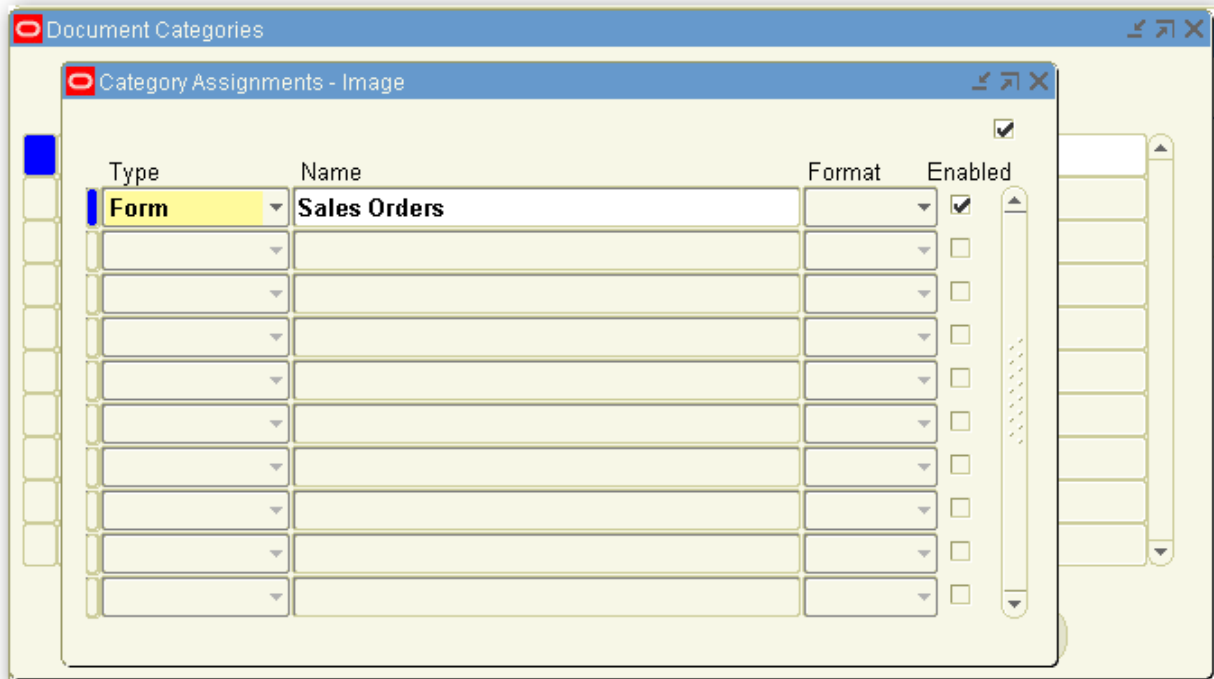

In List only 9 Options are Available. We can't Attach Type Image on This Form now I want to add an image type to this Form.

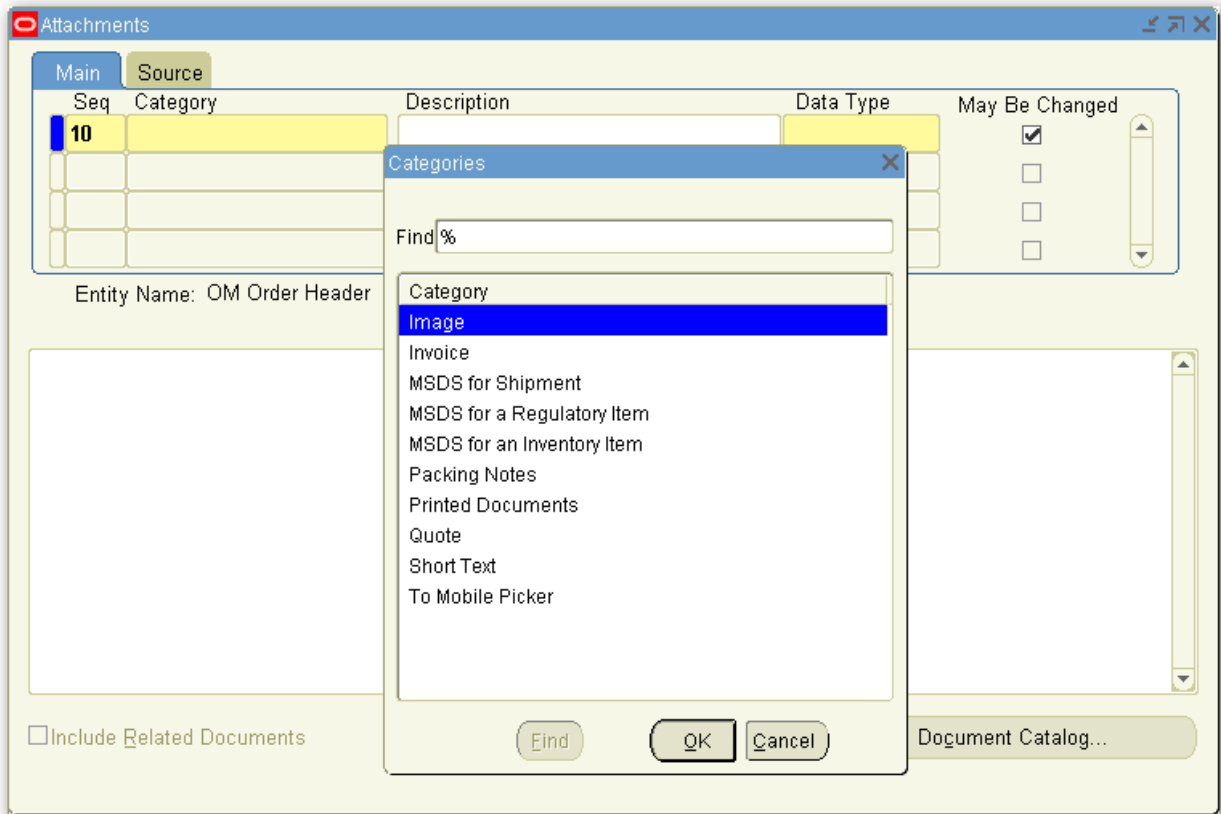

3. Go To Application Developer and Navigate to Attachments → Document Categories and Find Image Category There

4. Click on Assignment Button, Fill it as shown in Picture and Save The Record

5. Open Sale Order Form again and Click on (Clip) button as shown in picture (below)

Now you can see Image category in list of values and can attach image file to this Sale order
